## **Wexford County Parks and Recreation Survey Seeking Residents Input**

*Residents and visitors are invited to provide feedback and information on the County Parks and Recreation System in Wexford County.*

CADILLAC, MI – Wexford County has teamed up with Networks Northwest to develop the County Parks and Recreation Plan. As part of the work, there will be multiple opportunities for the public to provide comments, starting with the 2023 Wexford County Parks and Recreation Survey. The survey was developed by Networks Northwest staff and the Wexford County Recreation and Buildings Committee to help identify improvements, and shape the goals and action plan for the County Parks and Recreation System.

Additional public input will be garnered at three community pop-up sessions, one community drop-in session, and two school-based sessions. These sessions are in the process of being planned out throughout the County. More information on the plan development and plan documents (as they are developed) can be found at [nwm.org/WexfordRecPlan](http://nwm.org/WexfordRecPlan).

Members of the public are asked to complete the survey by Monday, May 1, 2023. Link to the survey via the URL: <https://bit.ly/WexfordRecSurvey>
